Built in 2022, this move-in ready 2 bedroom, 2 bathroom home offers 1,354 sq. ft. of thoughtfully designed living space with quality finishes throughout. The open floor plan features plantation shutters, stained cabinetry, stainless steel appliances, and upgraded Silestone composite countertops. Additional interior upgrades include a water softener, reverse osmosis system, and an electronic in-wall dog door. A standout feature is the 22 x 52 RV garage with full RV hookups, mini-split air conditioner, offering over 1400 sq. ft. of garage space. If that's not enough space this home also comes with a 13 x 58 exterior RV pad with full RV hookups to include water, sewer and electrical for additional parking or storage. Exterior upgrades include stone accent work, stucco finish, wrought iron fencing, and a tile roof. The home is equipped with a new energy-efficient HVAC system and is conveniently located near shopping, dining, medical facilities, and the Colorado River. Buyer and Buyer's Agent to verify all information deemed material, including square footage and property details.
